

HOME EQUITY LOAN

Let your home buy you something nice

Planning a big project or purchase? Consider a home equity loan to turn your plans into reality. We offer tailored loans designed around the equity in your home, ensuring your needs are met efficiently.

15

Loan Products

Meritrust offers fixed rate home equity loans with terms up to 15 years as well as our Primeline Home Equity Line of Credit.

Property Eligibility

Must be borrower's primary residence. Financing available up to 95% of the current market value.

Application Process

We make it easy to apply with our online application at www.meritrusthomeloans.com.

Local Servicing

We keep the loan here. You can make payments at any Meritrust branch in addition to convenient online payments.

Tax Deductible

Interest on home loans is often tax deductible; however, make sure you talk with your tax advisor.

Bottom Line

Our low interest rates and flexible terms help you keep budgeting easy.

You can use the proceeds from a home equity loan to do anything you want. Funds can be deposited into any account and can be used for home improvements, debt consolidation, college tuition or a dream vacation.
